

I am a passionate designer living in West Michigan. Designs that can evoke emotions or in some way improve people's lives are what excite me. I have a very strong work ethic and am always willing to put in extra time in order to seize opportunities to learn and improve.

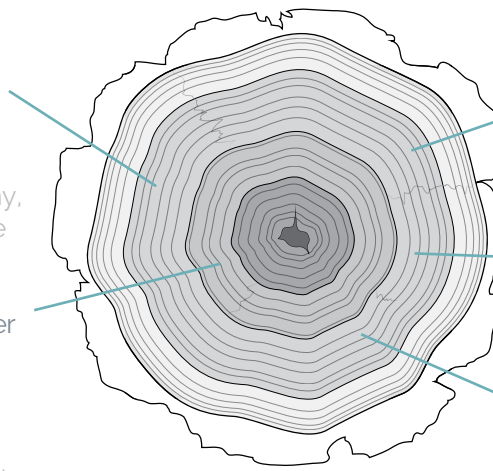

## Education

Kendall College of Art & Design  
2010-2014

On the Deans List all four years of school. I took classes in typography, branding, graphic design, interactive design, ux, and app development.
